Submission Guidelines

Abstracts (300 words) should be submitted to the conference chair Prof. Timothy Lee by **5 August 2023: icohoth@outlook.com or timothylee728@gmail.com**

(1) Once you submit an abstract, you don't need to submit a full paper.

(2) Selected best papers from the conference will be placed in an expedited review process for the ***International Journal of Tourism Research*** (SSCI-listed, impact factor 4.737) and ***Tourism Management Perspectives*** (SSCI-listed, impact factor 7.608).

(3) There will be a separate competition session of group presentation (up to 3 members per group) among each of **undergraduate students and master's degree students**. Best groups would be selected with certificate. Each group needs to pay US\$150 for participation per group.

Conference Venue

The conference venue (Thammasat University city campus, and the Centra by Centara Hotel Bangkok (Phra Nakhon)) is located within 10 minutes from the most famous and must-see tourist attraction in Thailand, the Grand Palace.

The conference is to be held at one of the most prestigious universities in Thailand, Thammasat University, which is Thailand's second oldest university, established as the National University of Thailand in 1934. It began as an open university, with 7,094 students studying law and politics in its first year.

The University today offers more than 240 academic programs in 33 different faculties and colleges on four campuses. It has graduated more than 300,000 undergraduate and graduate students.

The university's alumni have included some of Thailand's prime ministers, leading politicians, and governmental figures, Bank of Thailand governors, and jurists. With the vision to become a "World Class University for the People", Thammasat University has launched four main strategic groups (Future workforce, Future workplace, Future life & society, and Future collaboration) striving to progress toward creating new generation leaders for the future.

As one of the fastest growing colleges at Thammasat University, the *College of Innovation, Thammasat University (CITU)* is set to accelerate the university's mission of becoming a world-class university for the people through its academic excellence, innovation, and international collaboration. CITU offers a range of programs in areas such as service innovation, digital transformation, technology management, creative industries, and cultural heritage.

These programs are aimed at equipping students with the necessary innovative skills to excel in their chosen fields. The College is supporting our conference.
